*Standard refers to cars that are essentially to standard specification, whether restored or unrestored. Some minor modifications could be accepted at the judges' discretion - particularly those for safety and practicality. Modified cars include those that are substantially modified away from standard specification. This includes, but is not limited to, larger engine than original, body kits, modified interior, non-original style paint. (Cars painted in a non-original colour, but of a standard BMC/Leyland colour/s, may still enter the Standard class, if the car is essentially otherwise to original specification.)*

*Proposed categories:*

**Morris/Austin (Round-nose)** – 850, Deluxe, Mini K, etc - includes imported Mk1 & Mk2

**Cooper/Cooper S** – including imported models, 1961 to 1971

**Leyland (Square-nose)** – Clubman, Leyland Mini, Mini S, etc (includes imported Clubman)

**Leyland Limited Editions** – Clubman GT, Mini SS, Mini LS, 1275LS (includes imported 1275GT)

**Rover - all imported Mk3 or later (1969 to 2000)** excluding Clubman or 1275GT

**Mini Commercial** – Van, pick-up (includes estate cars – Traveller, Countryman, Clubman Estate)

**Moke** – all models and years

**Mini derivative or variant** – includes Nota Fang, Broadspeed, Buckle LMS, Mini Tractor, etc

**MINI - 2001 to 2011** – all models

**Alternative engine / Hybrid**

*Please note: final categories will be decided on entry numbers.*
